The Core Capabilities

Framework for supporting

autistic people tells staff

what they need to know

about autism

If you would like to read

the Core Capabilities

Framework click here

We call the Core

Capabilities Framework the

CCF

Training directory

We wanted to find autism

training that have skills

explained in the CCF / that uses the CCF??

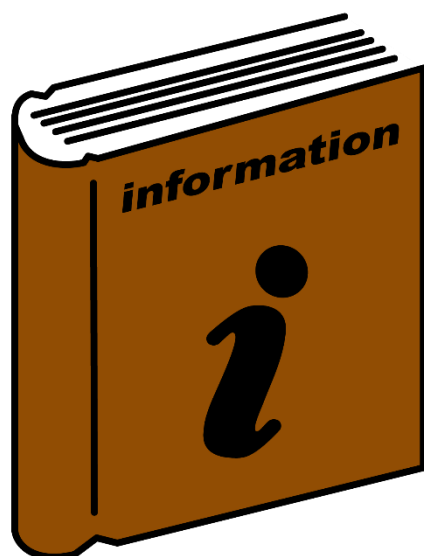

This is so staff can see what **training** they need to improve their skills for autistic people

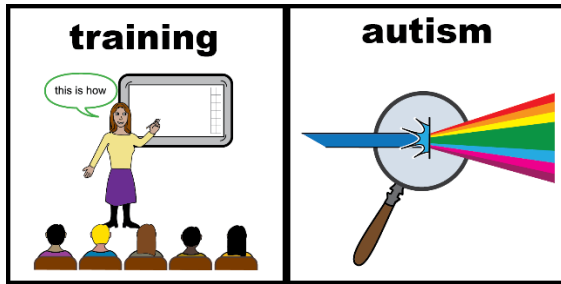

We looked all over the internet and found lots of **training**

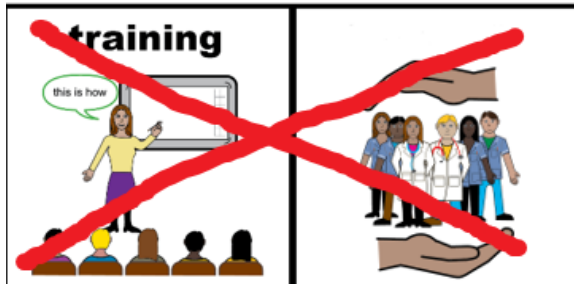

What we found

You can see the list of [training we found here](#)

We found lots of training with basic information about autism

We didn't find much **specialist training** and we're not sure specialist training is available

We need to find out if autism training makes care better for autistic people

When look for autism training, you should know if autistic people are involved.

Glossary

<u>Key word</u>	<u>meaning</u>
Training	Teaching a person or people a skills or behaviour
specialist training	Teaching a person or people skills or behaviours that are unique to their workplace

The logo consists of the letters 'M' and 'L' in a bold, sans-serif font, colored in a dark blue. The 'M' is positioned to the left of the 'L', and they are both centered vertically within a white square background.
